As per the Code of Ordinances of the City of Brownwood, Sec. 78-531. Certain work required.

At the time that any house, building or other structure is removed from a property by moving or razing, the owner of the property shall complete the following work, as evidenced by the owner's signature on a no fee additional work agreement:

- (1) Remove all floor slabs, foundations, footings, sidewalks, fences and posts;
- (2) Clear and remove all loose tree limbs, appliances and other trash, weeds, tall grass and other debris within 25 feet of the building perimeter;
- (3) Fill in all holes or depressions remaining at the building site, and level the area to facilitate future mowing maintenance;
- (4) Mow the grass;
- (5) After coordination with the plumbing inspector, plug all sewer lines with concrete; and
- (6) Complete all of the requirements of subsections (1)--(5) of this section within 30 days of the actual moving or completion of razing of the house, building or structure from the property.
7. MUST separate debris before hauling to landfill:
  - (1) metal (2) rocks (3) other (contact Landfill for specifics)

I hereby certify that I have examined and read this permit. All provisions of this ordinance will be complied with whether specified herein or not. Any person, firm, corporation, or agent thereof who violates or otherwise fails to comply with Sec. 78-531 may be found guilty of a misdemeanor and assessed a fine of up to **\$500.00 per day** for each such violation.
