As per the Code of Ordinances of the City of Brownwood, Chapter 150.16 Moving Buildings the following items shall be completed by the property owner within thirty (30) days upon the completion of the moving or razing of the house, building, or structure from the property:

1. Remove all floor slabs, foundations, footings, sidewalks, fences, and posts;
2. Clear and remove all loose tree limbs, appliances and all other trash, weeds, tall grass, and other debris within 25 feet of the building perimeter;
3. Fill in all holes or depressions remaining at the building site and level the area so as to facilitate future mowing maintenance;
4. Mow the grass;
5. After coordination with the Plumbing Inspector, plug all sewer lines with concrete; and
6. Complete all of the above within 30 days of the actual moving or completion of razing of the house, building or structure from the property.
7. MUST separate debris before hauling to landfill:
(1) metal (2) rocks (3) other (see Landfill for specifics)

I hereby certify that I have examined and read this permit. All provisions of this ordinance will be complied with whether specified herein or not. Any person, firm, corporation, or agent thereof who violates or otherwise fails to comply with Chapter 150.16 may be found guilty of a misdemeanor and assessed a fine of up to \$500.00 per day for each such violation.
