- ** SHELTER TRAINING- JAN 10TH

RECRUITMENT CAMPAIGN

How many volunteers have you recruited?

As mentioned at the last meeting, we are looking for new recruits and want to give you the opportunity to recruit people you would think would do good as an MRC volunteer. The campaign has started and will go through Nov 16 . If you have the most recruits,ts you will win a great prize.

DON'T FORGET

The website to get your training done is train.org. If you are having trouble or need a place to do your training, please contact me. I know this part can be stressful but please reach out if you need help.

MEMBER SPOTLIGHT

Dr. David Smith

Dr. Smith has been a Brown county MRC volunteer for many years and is a great asset to our unit. We have called upon him many times during COVID to help with clinics and events needing first aid.

Some interesting things to know about him are:

Favorite Food: Moussaka which is a middle eastern casserole with eggplant and lamb.

Reason for joining the MRC: too much idle time on his hands in retirement and needed new friends.

Favorite MRC memory: Not made yet , bring it!

UPCOMING EVENTS

- Movie in the Park-Oct 14th 5:30pm
- Monthly Meeting -Nov 16th 6:00pm
