## MRC Revamp Project

### New Marketing Materials and Apparels. We need your help!

Brown County MRC have been working hard! There will be new t-shirts, polos, handbooks and more coming soon. We are in search of volunteers to sport our new apparels in a professional photoshoot with the City of Brownwood for MRC marketing materials. This is a great opportunity to showcase volunteers and the work that we do. We would also be delighted if you could join us for a group shot featuring all our 2024 members. Looking forward to having everyone together. Date will be determined.

### How long have you been in the medical field and what is your favorite memory?

I have been in the medical field for 25 years, During these years, I worked in medical records, then moved to NA, CNA, and LVN with certifications in Medical Coding Specialist and Phlebotomist. My favorite memory is working with residents and making sure I take the time to talk to them as much as possible. I like learning things about them and their lives and giving them the opportunity to talk about their experiences.

### Reason for joining the MRC.

I joined MRC to give back to my community with the skills I have and to meet new people.

### What are your favorite hobbies?

My favorite hobbies are watching movies, playing board games, and playing the DC Deck Building Game.
