## GOOD SAMARITAN CHRISTMAS BOXING

The Good Samaritan Ministries raises awareness and helps people living in poverty through extensive programs and services in Brown County. The Brown County Medical Reserve Corps had the opportunity to assist with their food drive #Tackle Hunger. Our volunteers packed 117 boxes in one hour. The most Christmas boxes packed so far as a group!

Want to help this holiday season? Good Samaritan is looking for a team to push baskets a day or two in December. Please contact Ashley to sign up.

## BRING AN ORANMENT!

The City of Early is doing a Holly Jolly Tree Trail where businesses, families and community groups decorate a tree for a festive holiday experience at the Town Center Park. We ask that each volunteer bring an ornament on December 4th and help us decorate the MRC tree. Look for our tree if you're visiting the park!
